To Whom it May Concern:

Re: RoHS compliance of SF99 55G

Dear Customer:

Polybrominated Diphenylethers (PBDEs), PolyBrominated Biphenyls (PBBs), lead, mercury, hexavalent chromium or cadmium are neither used as raw materials nor intentionally added to the Momentive Performance Materials product listed above. Thus we believe that this product meets Directive 2011/65/EU ("RoHS")

We do not test for the presence of trace amounts of these substances that may be introduced into the product as a contaminant

These statements are for your information only, and do not constitute a warranty or product specification

We hope this information is helpful to you. If you have any further questions please feel free to contact me.
